

CELEBRATING THE JOY OF GIVING

The 10th Daan Utsav is being celebrated in Kolkata with a bouquet of "giving" events for the underprivileged from October 2-8. Over the past 10 years, Daan Utsav has encouraged and inspired millions across the country. Among the initiatives was "Back to School", aimed at providing 1,500 children, living in slums, with school bags, exercise books, pens and crayons. Many prominent schools in Kolkata celebrated Daan Utsav by collecting provisions for local NGOs, visiting old-age homes and cleaning their surroundings. Corporates have made pledges to adopt an old-age home, a school in rural Bengal and the Sunderbans
